# Indian Cancer Society

Karnataka Branch

## Review

## Kishore Rao

Chairperson Karnataka Branch

Our teams put together a slew of interesting activities in the past months. We had four cancer survivors – a trekker, a Yoga researcher, a writer and a popular singer – share their triumphs over adversity, in an event called 'Dare to Dream'. I'm sure this will inspire other survivors to face the world boldly.

Oracle Volunteers are to be admired for their devotion to social causes. In October they put up Breast Self-Examination posters designed by ICS in offices, colleges, shops, and even in religious centres. Further, in a session visually impaired young women, trained in Medical Tactile Examination (MTE), carried out breast examination in a college. Truly, a shot-in-the-arm for the visually impaired.

I must specially mention our volunteer Shubha Jaiprakash, who has single-handedly conducted 20 anti-tobacco and cancer Awareness sessions in Government High Schools. At the end of each session, students take a pledge to shun tobacco products and recount their learning to their families and friends.

We had rallies, walkathons and screening camps at Mangaluru, Kalaburagi and Bengaluru. Great going, teams. Keep up the tempo!

Let me end by wishing everyone a healthy, happy and fulfilling 2023.

## Survivors Event

RISE AGAINST CANCER

We invite you to listen to Cancer Bravehearts in conversation with the anchor Dr. N. B. Jaya Prakash, and be inspired.

### Dare to Dream

## Volunteering Spirit

Volunteers from Oracle took up Breast Cancer Awareness events in their true spirit by helping organise events at schools and colleges aside from holding an online event and a campaign to paste Breast Self Examination posters in women's washrooms.
